

Position Announcement

Director of Ph.D. Program in Mathematics and Science Education

Open Until Filled

(Pos. No. 107490). Applications are invited for a 10-month, tenure-track (with tenure upon appointment possible) professor in mathematics or science education and director of the new interdisciplinary Ph.D. program in mathematics and science education. Successful candidate will have a national record of funded research in mathematics or science education. Doctorate in mathematics education, science education, mathematics with a focus on mathematics education, or a science discipline with a focus on science education is required. Must qualify for rank of professor. Experience mentoring Ph.D. students preferred. Experience leading/directing an academic program preferred. Applications must be submitted online. Online application process opens DEC 4, 2009 at <http://mtsujobs.mtsu.edu>. Applicants should include a statement of your vision for the Ph.D. Program, Teaching, and Research Philosophy. Contact search committee chair Dr. Michael Sanger, mjsanger@mtsu.edu, 615-904-8558, if you have questions. EO/AA Employer.
