

Assistant/Associate professor of Elementary Mathematics Education  
 University of North Florida  
 Department of Childhood Education

Position Information	
Position No. Please enter "STUDENT" for student positions or "OPS" for OPS positions.	333980
Requisition Number	051915
Approved Job Title	Assistant or Associate Professor of Elementary Mathematics Education
Position Type	Faculty - Regular
Time-limited thru: (Contract, Grants, and Auxiliary positions only)	
Type of Appointment (Check all that apply)	Full-Time Tenure-Track
Length of Appointment (Faculty & Administrative positions only)	9 months
Internal Recruitment? (Internal applicants only)	No
Work Schedule: (Support Staff Positions Only)	No Response
Hours	
Job Summary/Responsibilities	The applicant who is hired will teach Elementary Mathematics Methods and Methods of Conceptual Teaching courses in the Department of Childhood Education and engage in other instructional duties as assigned within the College's undergraduate and graduate teacher education programs, including supervision of student teaching interns. Pursuit of an active scholarly agenda and involvement in relevant professional service are also required.
Required Qualifications	Applicants must have an earned doctorate from a regionally accredited institution in Mathematics Education, Elementary Education, or Curriculum and Instruction, and must have successful elementary and/or middle school experience teaching mathematics. Applicants who will be awarded a doctorate no later than the start date of the position, August 2, 2010, will also be considered. Applicants must have a record of excellence in elementary and/or middle school teaching and be willing to work closely with professionals in elementary and secondary education programs.
Preferred Qualifications	Preference will be given to individuals who hold either Elementary Certification with additional coursework/concentration in mathematics or in a closely related field or Middle or High School mathematics subject certification. Certification may be from the state of Florida or equivalent certification from another state. Preference will also be given to individuals who have successful experience in higher education teaching

	or educator professional development and who have intern supervision experience.
