

**HELP YOUR PROFESSION,
HELP AMTE,
HELP A COLLEAGUE, and
HELP YOURSELF!**

**And, with AMTE's newest Membership Promotion,
SAVE \$\$ while you're doing it.**

AMTE's annual dues will be going up (from \$60 to \$80) on July 1, 2010. What a perfect time to save money for yourself and help AMTE grow at the same time! AMTE's newly-created Membership Promotion will run from April 1 through June 30, *right before the dues increase.*

You can take part in this Promotion, help AMTE, *and* save money by renewing your own membership and recommending new members for AMTE. Besides saving yourself money, there will be several ways to qualify for PRIZES in our big drawing, *and* you may qualify more than once. You become eligible when: 1) you renew your own membership, 2) you recommend at least 3 new AMTE members, and 3) least one person you recommend joins AMTE. (See Promotion Details.)

The Prize Drawing will be held after June 30, and the Grand Prize will be a FREE 2011 Conference Registration (for the winner or transferable to a first time Conference attendee). Other prizes include one-year memberships or renewals, and AMTE Flash Drives. There will also be a Second Drawing for New Members (since Apr 1) only - see Promotion Details.

For more complete information, see the Promotion Details. To get started, renew your membership at AMTE.net (or download an AMTE Membership form [here](#)) and/or download a Membership Referral Form [here](#). For other questions, contact Larry Campbell, AMTE Membership Chair (larrycampbell@missouristate.edu)

Whatever you do, don't miss this opportunity to SAVE MONEY, help colleagues, help AMTE, and help your profession! Thanks for your support.
