

2009 AMTE RENEWAL OF AFFILIATION FORM

RENEWAL OF AFFILIATION NOTICE

Due date: January 26, 2009

Affiliation dues cover the fiscal year beginning February 1, 2009 and ending January 31, 2010 and are non-refundable. New affiliates pay dues beginning with the affiliation year that follows the annual meeting at which they receive their charter.

No later than January 26, 2009, please return a completed 2008 Renewal of Affiliation form, member list, and a check payable to AMTE for \$60. Retain a copy for your files. If payment is not made by January 26, an Affiliate's status will be in *Not in Good Standing* and the group will not be eligible for services until payment is confirmed. Payments from Affiliates that owe dues for a previous year will first be applied to the previous year's balance. If affiliation dues become one year past due, an Affiliate is eligible to have its charter withdrawn.

The AMTE President and Treasurer will receive a revised Profile Sheet showing that dues were received. AMTE will provide the affiliate's President with a list of AMTE members that are potential candidates for Affiliate membership.
