

# AMTE/NTLI Fellowship Evaluation RUBRIC

The National Technology Leadership Initiative (NTLI) fellowships were established to recognize exemplary presentations related to integration of technology in the core content areas at the annual meetings of each participating association. This rubric is designed to be used a guide to frame the discussion for determining the annual AMTE/NTLI fellow for the current year.

Category	Comments	Weight	Evaluation
Quality & Thoroughness of Theoretical Framework		3	1 2 3 4 5
